

CENTRAL SCOTLAND BALLET SCHOOL

New protocol for 'in-person' CSBS dance classes

Please familiarise yourself with the following procedures which we have introduced to ensure the safety of participants and staff in line with current government guidelines.

 Arrive only 5 minutes before your class start time. Parents wait outside.

 Arrive wearing your dance clothes with a coat or onesie over the top

 Only bring your dance shoes, no large bags or additional belongings

 Wait outside until the previous group have all left the building. The teacher will admit you to the changing area to change your shoes.

 You must wear a mask in the changing area / foyer and maintain distance (age 12+)

 You must sanitise your hands before entering the Studio

 Your teacher may take your temperature; if it is high, parents will be contacted to take you home

 DO NOT ATTEND if you feel unwell in any way

 You do not need to wear a mask during the lesson but are allowed to do so if preferred

 The teacher will keep socially distanced from the dancers

 At the end of the lesson, you should sanitise your hands and exit the building

 Parents are responsible for collecting their child outside the building, maintaining social distance and wearing a mask

 The class teacher will clean all surfaces / touch points between lessons

We also recommend downloading the NHS Test and Protect app.
