Successful candidates will be allocated a space by the class teachers in one or both of the Intermediate Foundation classes commencing January 2020. Please note the class times are subject to change. There will be an additional programme of compulsory workshops to enhance the student's training as well as optional performance opportunities throughout the year.

An information leaflet about the Majors Programme and the RAD Vocational Graded syllabus is available to download from our website. Please read this carefully as it provides an overview of the requirements of the syllabus and the expectations placed on participants. Successful candidates and their parents will be required to sign an agreement regarding expected behaviour, grooming and commitment.

To be completed by the parent/guardian:

I have read and understood the information leaflet regarding the CSBS Majors Programme including the reasons for the audition process, the reasons that not all children are accepted and understand the level of financial and time commitment required should my child be accepted.
